DETAILED ACTION

1. This application is in condition for allowance except for the following formal matters:

In The Oath/Declaration:

The application as filed is missing the Oath and Declaration as required by § 1.64. The oath or declaration (§ 1.63), including any supplemental oath or declaration (§ 1.67), must be made by all of the actual inventors except as provided for in §§ 1.42, 1.43, 1.47, or § 1.67.

In The Specification:

The use of the trademark VELCRO (see page 8, line 25) has been noted in this application. It should be capitalized wherever it appears and be accompanied by the generic terminology. Although the use of trademarks is permissible in patent applications, the proprietary nature of the marks should be respected and every effort made to prevent their use in any manner, which might adversely affect their validity as trademarks.

In The Claims:

In claim 12, on line 23, "an" should be changed to --a--.

In claim 16, the use of Trademark Velcro is noted. It is important to recognize that a Trademark or Trade Name is used to identify a source of goods, and not the good themselves. Thus a Trademark or Trade Name does not identify or describe the goods associated with the Trademark or Trade Name. See definitions of Trademark and Trade Name in MPEP 608.01(v). A Trademark or Trade Name used in a claim as a limitation to identify or describe a particular material or product does not comply with the requirements of 35 USC 112, second paragraph. Ex parte Simpson, 218 USPQ 1020 (Bd. App. 1982). The claim scope is uncertain since the Trademark or Trade Name cannot be used properly to identify any particular material or product.

Art Unit: 3711

In fact, the value of the Trademark or Trade Name would be lost to the extent that it became descriptive of a product, rather than used as an identification of a source or origin of a product. Thus, the use of a Trademark or Trade Name in a claim to identify or describe a material or product would not only render a claim indefinite, but would also constitute an improper use of the Trademark or Trade Name. If the Trademark or Trade Name appears in a claim and is not intended as a limitation in the claim, then the question of why it is in the claim arises and whether or not its presence causes confusion as to the scope of the claimed subject matter.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
